Administrative Recommendation

Approve Administrative Recommendation to allow the utilization of Distance Learning for the 2020-2021 school year.

SCHOOL BOARD RESOLUTION

Authorizing the utilization of Distance Learning for the 2020-2021 school year.

By resolution, the Faith School Board has authorized the utilization of Distance Learning for the 2020-2021 school year.

This is to be for the 2020-2021 school year, with parents / guardians having the option to “opt-in” to Distance Learning for a minimum of one (1) semester. Administration will be responsible for the establishment and completion of the “opt-in” process.

In addition, the Faith School District School Board authorizes the Administration to develop other regulations, processes, and rules, as necessary, to manage and administer the Distance Learning Program.

Faith School District views extracurricular activities as an extension of the educational programming provided by the school district. Families who choose to “opt in” to distance learning are “opting out” of extracurricular activities.
