

TITLE I – PARENT INVOLVEMENT IN SCHOOLWIDE TITLE I PROJECTS:

The Board believes that activities to increase parental involvement are a vital part of the Title I Program. Parents will have an opportunity to design, implement, evaluate and suggest changes to improve the program.

The guidelines are as follows:

1. All K-6 students are entitled to Title I services provided by the Faith School.
2. Parents will be able to-arrange conferences-with teachers to discuss the child's needs for services and to establish specific instructional objectives. A signed permission form must be completed before services begin (See Parent/School Compact).
3. All parents will be invited to an Annual Public Meeting.
