

**SCHOOL ATTORNEY**

The Board may appoint an attorney or attorneys at its discretion to advise and represent the district.

It will be the duty of the school attorney or attorneys to advise the Board and the superintendent on the specific legal problems submitted to him. He will attend meetings upon request and will be sufficiently familiar with Board policies, practices and actions under these policies and requirements of the school code of the state to enable him to offer the necessary legal advice.

Adopted: February 12, 2001
