

## **BUS DRIVER EXAMINATION AND TRAINING**

The driver of a school bus is charged with a serious responsibility for the safety of the children in his/her care. It is therefore important that school buses only be operated by a properly licensed driver who has passed all examinations prescribed by the statute and the Department of Public Safety.

In application for a CDL bus driver's license and in accordance with state law, each bus driver will be required to have a physical examination every year. The school bus drivers must complete the state-sponsored school bus in-service training program annually.
